REFERENCE.

At the instance of the Collector of South

South Kanara. the Board recommends the grant of 1.61 acres of Government land in S.No.96/4 marked blue in the enclosed sketch of Kandavar village, Mangalore Taluk. to the Gurpur church - which is a registered member of the Parish Union of the Diocese of Mangalore in exchange for an equal extent in S.No.97/1 - marked red in the sketch belonging to the church. The exchange is proposed as the church which owns the adjoining lands S.Nos. 96/3 and 97 has enclosed the ground with a stone and mud wall, has also planted 10 Casurina plants and 39 cashew plants and has been in effective occupation since fasli 1329. The Collector who has inspected the locality says that by reason of its position, the land forms a convenient addition to the church property, while it is practically useless to anyone else. The tenure, value and assessment of the lands to be exchanged are the same. A draft deed of exchange in duplicate for execution by the Secretary to Government, Revenue Department, together with a sketch in triplicate is herewith submitted.

The word 'Draft' in the heading 'Draft deed of exchange' in both the documents should be struck out. For the words 'The Collector of South Canara' in the third line in both the documents, the word 'The Secretary to the Government, Revenue department' may be substituted.

2/ The consent of the other party ~~to this deed~~ to these alterations is not necessary, since one of the deeds will be handed over to him, the other being retained by the Govt., after their execution by the Revenue Secretary.
